in Luxembourg

## The biyearly LuxAA Private Event

**Wednesday, 11<sup>th</sup> December 2024,  
Luxembourg city.**

The LuxAA has invited a renowned entrepreneur, whose groundbreaking achievements in agribusiness have significantly impacted an entire continent. The conference will be conducted in English.

LuxAA members will also be invited to participate in a poll to select events for the 2025-2026 season. Members are encouraged to submit suggestions for events not included in the provided list. The most popular events will be implemented by the LuxAA for the next season.

The day will conclude with a delightful networking session and a blind «taste test» of various local products, guided by the producers themselves.

Conference language :

**English**

Français / Deutsch: upon request
