

Wineyard Investment Day

in Luxembourg

How to succeed with a vineyard?

Wednesday, 14th January 2025.

Owning a vineyard is a dream for many. But where and how should one invest? How can you manage and develop value, sell your products, create new ones, attract new clients, estimate how much value increases, resell or pass it on to the next generation?

Experts at this conference will provide you with the best insights and strategies to achieve success in vineyard investment.

Conference language :

English

Français / Deutsch : upon request
